

SUSAN B. ANTHONY AUXILIARY

Mission Statement

Our mission is to raise funds to support the Susan B. Anthony Recovery Center and their clients through public awareness and education, volunteer recruitment and fund-raising activities.

SUSAN B. ANTHONY RECOVERY CENTER

Mission Statement

The Susan B. Anthony Recovery Center transforms families by providing help, hope and healing for mothers and their children to live responsible, drug-free lives.

Facts

At the Susan B. Anthony Recovery Center we allow the mother and her children to reside in our residences providing them a safe place to start again. We are the only center in Broward County that has this unique housing situation. This prevents the children from entering or returning to the foster care system. Families at our center benefit from comprehensive services that address complex issues affecting them. Our goals are to assist women in recovery to live an independent life, bond with their children and lead a healthy family lifestyles.

A Safe Place to Start Again

The Susan B. Anthony Recovery Center, Inc. (SBARC) a 501(c) (3) private non-profit organization, was founded in 1995 by the Junior League of Greater Fort Lauderdale, Florida in response to the critical lack of services for recovering homeless and/or substance addicted women with children.

Nestled in a safe and secure five acre parcel within the Howard C. Forman Health Campus in Pembroke Pines, the new three building facility is home to mothers with children seeking a safe place to start again.
