Recap of Day of Caring

We are happy to announce that the United Way's Day of Caring brought more than 1,100 volunteers to our center to help create a more beautiful campus.

Volunteers happily painted the administration building and the residential building, and helped landscape the grounds. Volunteers also created a mural along the first floor's hallway of an undersea environment with a variety of fish.

One of Our Success Stories

Time really passes fast! I think of Susan B. Anthony and my time spent there often. There is not a day gone by I haven't used something I learned from Susan B.

Next Fall I will be entering college for a Masters program in Social Work. In the meantime, I am taking two semesters to warm up. I am beyond excited about this new chapter in my life.

I spend a good deal of time with my youngest son, and I often talk and visit with my oldest son who lives on his own. This month I am celebrating 9 years with my

I am happy in life, really really happy! My younger son is healthy as a horse. He loves to play football, takes 2 advance classes with good grades and sings in the choir.

Life is of course not without its trials and trouble, but I never give up on finding ways to enjoy each day I'm given. All Susan B. does to help women works! There are no words I can say that expresses the feeling in my heart for Susan B. Anthony; I can simply say I'm sober, I'm happy, and I thank you... Meredith Mills

To the women of Susan B: never give up and never give in. If I can get sober, stay sober and build a life, you can too; you're worth it! _____
