Susan B. Anthony Recovery Center Highlighted on “CNN Presents”!

The television channel “CNN” came to The Susan B. Anthony Recovery Center for two full days to film a story on the impact of prescription drug abuse on our communities and families. We participated in the filming of this story to educate the public about how prescription drug addiction is on the rise in this country. In Broward County alone, we have more “pill mills” than anywhere in the country. One of the women featured in the story was a resident of Susan B. Anthony Recovery Center and has since successfully completed our program. The series aired Sunday, July 31st at 8:00 PM (and 11:00 PM due to a President Speech Interruption) on their series “CNN Presents”.

United Way's Day of Caring Event, October 21, 2011

The Susan B. Anthony Recovery Center in Pembroke Pines will be getting some sprucing up with the help of hundreds of volunteers thanks to the United Way's 20th Annual Day of Caring Project.

There are still some project details to work out before the Oct. 21 event, but it will include painting and landscaping. The work is carried out by 500 to 1,000 volunteers coming from United Way corporate partners such as Publix, UPS and Enterprise Rent-A-Car. The painting will include the residence where mothers and their children live, along with the daycare center and administrative offices. The residence will be decorated with both interior and exterior murals. In addition, a landscaping company will be installing new trees and plants across the campus.

The project will run from 7 a.m. to 4 p.m. Oct. 21 at the center. Please mark your calendars to attend!

We Welcome Dr. Krista Bloom as New Clinical Director

Dr. Krista A. Bloom, Ph.D., a Licensed Clinical Social Worker has joined the Susan B. Anthony Recovery Center, as Clinical Director. A resident of Sunrise, Dr. Bloom is the Founder of a private practice Healing Couch, Inc., where she has provided clinical services, published and spoken internationally. In her new role, Dr. Bloom will be responsible for overseeing the residential and outpatient programs offered at the Center.

Dr. Bloom received her Doctor of Philosophy degree from Maimonides University and her Masters of Social Work from Loyola University of Chicago. She maintains active memberships in NASW, and ABS. She is also a board-qualified Clinical Supervisor for Clinical Social Work and Mental Health Counseling, and a board certified Clinical Sexologist. She has over 20 years of experience in social services.

Welcome Dr. Bloom!

Ceremonial Ground Breaking for Susan B. Anthony Center

This past Summer, The Susan B. Anthony Center held a dedication and ceremonial ground breaking in Memory of Helen S. Wells for a one million dollar donation made in her name for the Children's Play Area. Helen S. Wells supported the center and understood the importance of play in the development of children.

During this time, The Susan B. Anthony Recovery Center unveiled their plans for the construction of a new playground to be built in this area with help from future donors and funds given by The Broward's Sheriff Foundation. Members of the Susan B. Anthony Recovery Center Staff and Board of Directors, Sheriff Al Lamberti, Barbara Wells, City Officials, and Police Women of Broward County were all in attendance as supporters to the project.
