## ELIGIBILITY GUIDELINES

Susan B. Anthony offers substance addicted mothers and pregnant women a safe place to start again in a residential setting where both mother and child receive much needed treatment and support. Typically, our guests are 18 years of age or older, have children and/or are pregnant.

If your client has private insurance, or if she is not sure if her insurance covers our services, please call (or have her call) our toll-free number **(866)641-8986** so we can verify her benefits and eligibility. There is no cost for this and we are happy to help.

If she lives in Broward County, residential treatment may be available at no cost to her. We have several programs at our center for which she may qualify. Simply fill out our application and email or fax it to our admissions department.

If you feel that SBA may be able to help, we invite you (or her) to:

- ✓ Visit our website: [www.susanbanthonycenter.org](http://www.susanbanthonycenter.org)
- ✓ Complete the online application, or print the form and provide them a copy to complete. *(A form is also included in this packet)*
- ✓ Email the application to [ADM@susanbanthonycenter.org](mailto:ADM@susanbanthonycenter.org) or FAX to (954)733-0766 the completed application with your contact information.

The process is easy, however, in the event that there are any questions, please call our toll-free admissions number: **866-641-8986** or **954-733-6068 ext. 2015** to speak with one of our counselors.

Thank you in advance for your consideration and for placing your trust in Susan B. Anthony Recovery Center.
